Add a fun music-bed and a “children laughter” sound effect at the beginning and the end	Little Steps Day School is here to expand the minds of your little scholar. An adventure awaits around every corner! For over 20 years, we’ve helped children feel excited – and most importantly <i>ready</i> – to leap into learning. We give them the confidence to reach for the stars and exceed their potential, all while in a safe and secure environment supported by fully-trained and certified educators. From our family to yours, let’s take the first step together visit: <a href="http://littlesteps.com">littlesteps.com</a> for registration information.
