|---|---|
| Sound Effects: Storm, thunder, scream, rain) Wife: Scared Husband: Serious yet sarcastic, upset Announcer: Announcer voice and kinda sarcastic | Wife: Honey, did you hear that? (SFX – Storm noise, thunder, scream) Husband: There go the lights again...UGH the electricity went out. Wife: (frustrated huff) We should have bought that generator! Husband: (frustrated) I'll call them Monday! Announcer: Don't be left in the dark! Whole House Generators can outfit your home no matter the size and certified electrical technicians will professionally install the unit in your home after engineered inspection. Each generator is NEC certified and TWIA (say as one word) approved. Come by and see us at 555 Smith Road to see the new model 9,000 with instamatic power switch. It powers on :30 after losing power. Easy finance available. Schedule your free estimate today. Visit: WHG.home.com Tag: ...Whole House Generators, we keep the lights on. |
